NOTES

% Doctoral Degrees¹²

40.3

17.7

¹ Freshmen are first-time students that come directly from high school with no prior credits attempted.

² Annual rate is calculated by the average change over the past five years.

³ Unknown or missing data is not considered in the percentages.

⁴ Total enrollment figures based on data published on the Integrated Post-Secondary Education Data System (IPEDS).

⁵ ISEP is a special program that is part of the School of Social Sciences and Humanities.

^{6 12} Month Enrollment refers to the unduplicated head count of the students for all three terms (fall, spring and summer)

⁷ Full Time Equivalent (FTE) refers to the sum of all Full Time Students + Conversion of Part Time Students (utilizing IPEDS formula)

⁸ Figures include all components (Regular, Adult Programs, Graduate and Technical Degrees).

⁹ Percentage of students of a specific entering cohort, that return on the following fall term. Includes only first time freshmen.

¹⁰ Data provided by the Associate Vice Chancellor of Academic Affairs.

¹¹ FTE = Sum of Total Full Time Faculty plus Total Credit Hours of PT Faculty/12

¹² Percentage of regular (tenured) faculty who hold a doctoral degree (including those in administrative positions).
